## PROFILE

The Town of Milton is a growing, scenic community located southwest of Toronto, Ontario. The Town has maintained a successful business relationship with eSolutions through numerous projects.

In recent years, the Town has experienced unprecedented growth on both the residential and industrial fronts, resulting in numerous business opportunities that contribute to the community's overall economic health. In an effort to make these opportunities more readily accessible to potential bidders, the Town engaged eSolutions to include our Bids and Tenders application in the production of the Town's new economic development website.

The Town of Milton uses the Bids and Tenders module of the eSolutions Municipal Suite to post its bid and tender opportunities online. Potential bidders have the opportunity to review the online postings and subscribe to become plan takers by using an online shopping cart to purchase the documents and addenda. Bids and tenders are searchable by status and keyword. The Bids and Tenders module supports the following features:

## SERVICES PROVIDED

- Easy-to-use administration section
- Audit and security control
- Viewable online order balances and invoices in real time
- eCommerce and kiosk support
- Automatic notification to customer database of new bids and tenders
- Automatic notification to plan takers of new addenda
- Reporting functionality
